

THE
Graceful Glow
BRIDAL EXPERIENCE

May 2026 - May 2027

Hi, I'm Tenéke Olivier,

THE HANDS AND HEART BEHIND
GRACEFUL GLOW MAKEUP ARTISTRY.

A qualified Somatologist (CIDESCO | SAAHSP), I believe beauty is more than a look—it's a feeling, a reflection of grace and confidence from within.

Guided by faith and fueled by passion, I blend professional artistry with soul to help every woman see herself the way our Creator does, radiant, confident, and worthy. Through every brushstroke, I aim to reveal the beauty that was already there, because true glow comes from grace.

At Graceful Glow Makeup Artistry, makeup is more than just a brushstroke, it's a celebration of individuality, confidence, and inner beauty. My love for makeup stems from its incredible ability to empower, transform, and uplift. It's not about masking flaws, but about embracing features, expressing personality, and bringing out a person's natural radiance.

From soft, glowing elegance to bold, creative statements, I see every face as a canvas and every look as a story waiting to be told. My journey into makeup artistry has been one of growth, inspiration, and endless creativity. Every technique I've learned and every product I've explored has deepened my passion for this beautiful craft.

I am dedicated to helping every client feel confident, graceful, and glowing, because true beauty shines from within, and makeup is simply the tool that helps reveal it. I'm excited to keep learning, evolving, and sharing my artistry with the world, one graceful glow at a time.
